

履修年次	科・コース	教科名	科目名	単位数	履修形態
Junior High School 2nd year	General Course (2-1)	English	English Conversation	1	Compulsory

教科書	Talk and Talk Book 2
その他の教材	Various Prints

目標	<ul style="list-style-type: none"> All students to enjoy English classes. Students will acquire basic skills allowing them to initiate and carry on simple conversations. Students will increase vocabulary through weekly vocabulary quizzes.
学習のねらい	<ul style="list-style-type: none"> Help students to acquire or maintain an interest in communicative English.. Give students confidence in speaking English. Increase students' proficiency in listening and speaking English. Increase vocabulary.
定期考査	There are no mid-term or final term tests in this subject. Students will be given short listening and vocabulary quizzes on a weekly basis. Their grade for each term will be based upon these quizzes, along with their effort and attitude.
評価の観点および評価の方法	<ul style="list-style-type: none"> In class, we will do practice tests to check the students' progress and understanding of points and vocabulary studied in class. Students will memorize dialogues from the text and expand upon them. They will present their dialogues in class. They will also participate in a skit contest.
履修上の注意	- Since this class is taught by a native-speaker of English, the main focus of this subject will be speaking and increasing vocabulary. Students will practice using basic grammar in communicative activities. We will focus on output as much as possible.
